INTRODUCTION

IMPORTANT SAFETY INFORMATION

Please read all safety warnings before operating this product. Failure to follow these instructions may result in injury or damage. Product use and environmental factors may impact published performance and ranges for connectivity and battery usage.

LIABILITY AND DISCLAIMER

All specifications and procedures are correct at time of publication, but are subject to change without notice. Please read the instructions before installing. Polyaire Pty Ltd does not accept any responsibility for loss or damage that may occur as a result of the incorrect installation or operation of this AirTouch Secure product.

Welcome to the AirTouch Secure Alert Siren, your audible alert when your security system detects an intrusion or alarm event inside your home. Triggered, the siren will produce an audible alarm and notify your applications.

- 105 dB audible alert
- 30m typical indoor range
- 5-year battery standby time
- Secure, stress-free, and simple to use

Minimal design for intuitive comfort and effortless reliability, to relax and enjoy your space.

COMPLIANCE

- RCM 
- Cyber Security Act 2024 & ETSI EN 303 645
- Australian Consumer Law & safety standards
- Origin: China
- Distributed in Australia by Polyaire Pty Ltd.

PRODUCT & KEY FUNCTIONS

GETTING STARTED

Set Up with AirTouch 5*

*AirTouch Home must be installed on your AirTouch 5 Console before set up. Installation can be completed from the AirTouch 5 settings menu.

1. Setup device

On the main screen of the AirTouch 5 console, select the '+' icon located in the top right corner, then choose 'Device' from the drop down menu.

2. Select device

After the “Add New Device” page loads select “AirTouch Secure.” Follow the on-screen prompts to complete the installation and connect the device to AirTouch 5.

Set Up with App*

*AirTouch Home must be installed on your AirTouch 5 Console before you can install the AirTouch Home smart device app.

1. Download

Install the AirTouch Home app for both iOS and Android operating systems. Search for the name “AirTouch Home” in the App Store or Google Play, or scan the QR code to download the App.

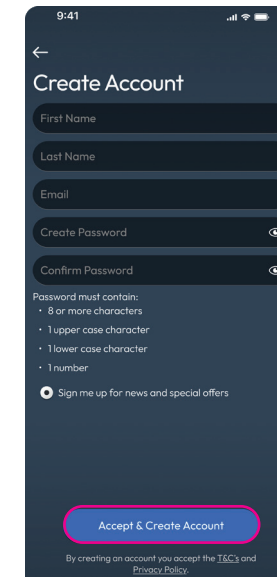

2. Create an Account / Log In

To sign up, open the app, create an account, verify by email, and add your device; to log in, enter your credentials and tap “Login.”

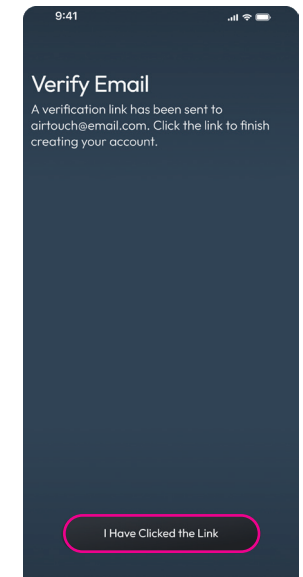

Create an account

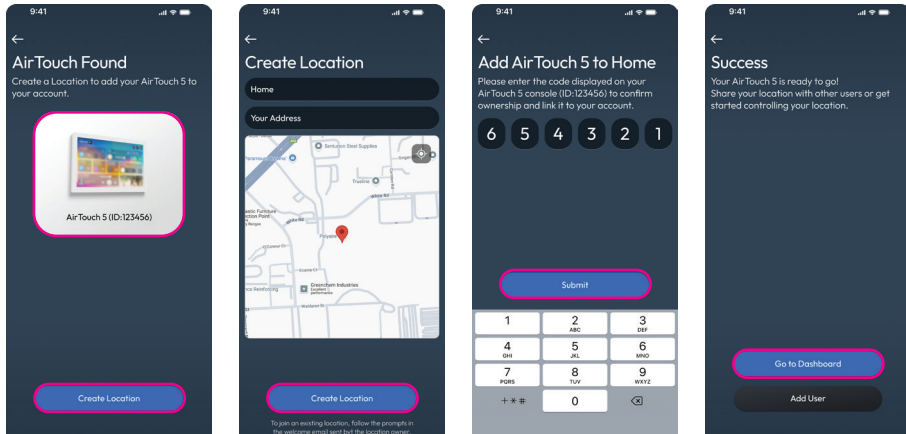

Tap “Create Account”

Fill out the required fields Tap on “Accept & Create Account”

Open the email and click the “Verify Email” link to activate your account.

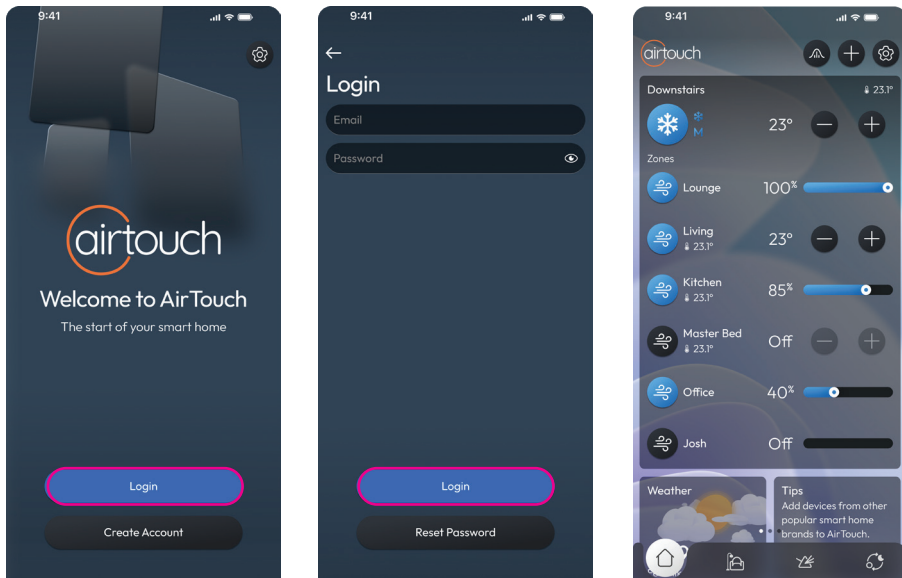

Add your Air Touch device to the account

Create a Location (e.g. your home)

Sync Your AirTouch 5 Devices

You're All Set - tap on "Go to Dashboard"

Log in

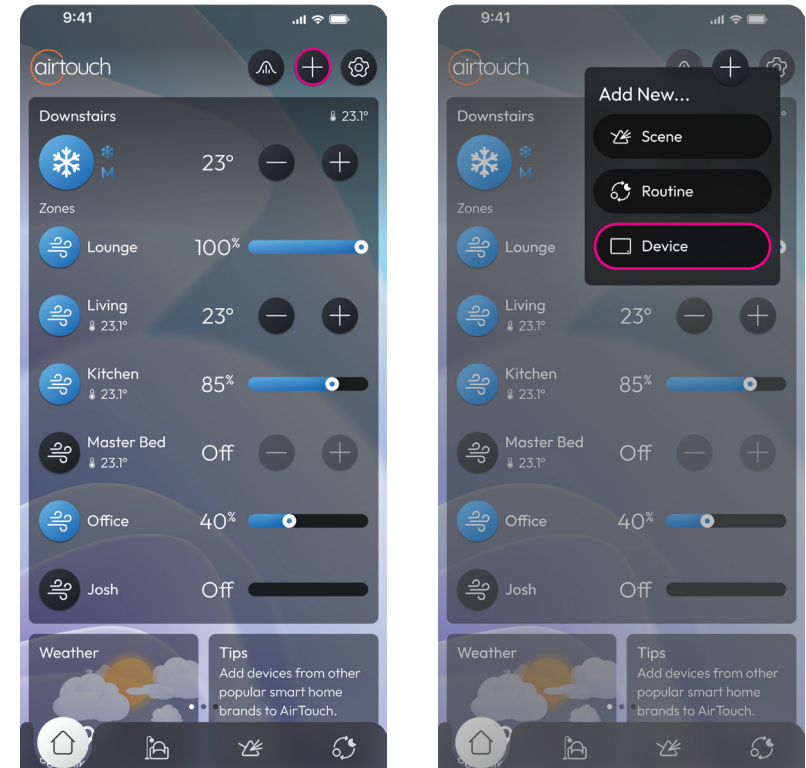

Tap "Login" on the Home Screen

Enter Your Credentials & Tap "Login" You'll be taken to the Dashboard

Dashboard

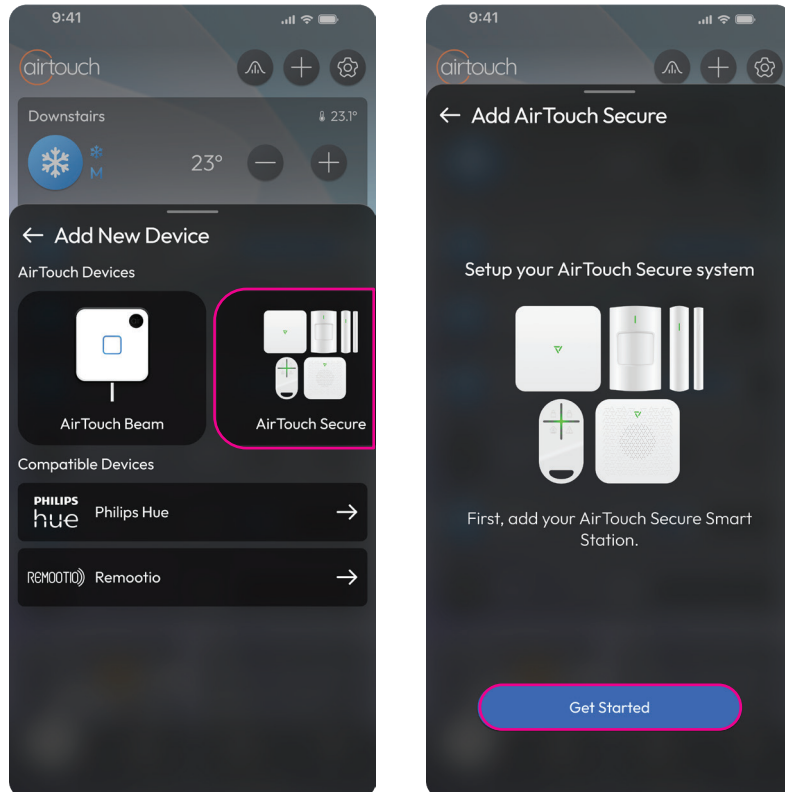

3. Add device

Login to the AirTouch Home app and select the '+' icon located in the top right corner, then choose 'Device' from the drop down menu.

4. Select device

After the “Add New Device” page loads select “AirTouch Secure.” Follow the on-screen prompts to complete the installation and connect your device to AirTouch Home.

REPLACING THE BATTERY

When to Replace the Battery:

- LED indicator flashes to signal low battery
- Siren volume becomes weak or intermittent
- System/app displays a low battery warning

What You'll Need:

- Replacement battery (CR123A 3V)
- Small Phillips screwdriver

Step-by-Step Guide:

1. Power Down the System
 - Switch off or disarm your security system to avoid false alarms.
2. Access the Siren Unit
 - Locate the siren- If it's secured with screws, use the screwdriver to remove the cover.
3. Remove the Old Battery
 - Carefully disconnect the existing battery from the terminal or battery clip. Inspect for corrosion or leakage.
4. Insert the New Battery
 - Connect the new battery to the terminal, matching the polarity (+/-). Ensure a snug, secure fit inside the battery compartment.
5. Reassemble the Unit
 - Replace the siren cover and tighten any screws securely.
 - Press them together until you hear a click or feel it snap shut.
6. Test the Siren
 - Turn the system back on and use the test function (if available) to confirm the siren works.

Note

- Use only the recommended battery type to avoid damage.
- Dispose of old batteries properly according to local regulations.
- For outdoor sirens, ensure the battery compartment is sealed against moisture.

We are constantly adding new Smart Home integrations to AirTouch to enhance the system's capabilities and your home living experience. Visit [AirTouch.net.au](https://airtouch.net.au) for updates.

WARNING

Do not short-circuit the battery terminals.
Dispose of the old battery properly at a battery recycling station – never throw it in the bin.

WARRANTY

Thank you for purchasing this AirTouch product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is three years from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, AirTouch will provide a free replacement.

- Read all instructions before use. Failure to comply may result in injury or void warranty.
