INTRODUCTION

IMPORTANT SAFETY INFORMATION

Please read all safety warnings before operating this product. Failure to follow these instructions may result in injury or damage. Product use and environmental factors may impact published performance and ranges for connectivity and battery usage.

LIABILITY AND DISCLAIMER

All specifications and procedures are correct at time of publication, but are subject to change without notice. Please read the instructions before installing. Polyaire Pty Ltd does not accept any responsibility for loss or damage that may occur as a result of the incorrect installation or operation of this AirTouch Secure product.

Welcome to the AirTouch Secure Motion Sensor, your wireless passive infrared sensor that detects and reports real time movement. If motion is detected, the sensor triggers your security system and sends notifications to your applications.

Up to 12m detection range
Up to 90° detection angle
30m typical indoor range
Up to 5-year battery life
Secure, stress-free, and simple to use

Minimal design for intuitive comfort and effortless reliability, to relax and enjoy your space.

COMPLIANCE

- RCM 
- Cyber Security Act 2024 & ETSI EN 303 645
- Australian Consumer Law & safety standards
- Origin: China
- Distributed in Australia by Polyaire Pty Ltd.

PRODUCT & KEY FUNCTIONS

1. Indicator
2. Lens
3. Power on/off switch
4. Tamper protection button
5. Mounting bracket*
6. Screw hole x 8

*Mounting Bracket Warning

This product may be mounted using screws, fixings, or suitable adhesive mounting solutions such as 3M tape.

If you prefer to drill-mount your product, please ensure the correct tools and fixings are used and that installation is carried out carefully. Installation may require drilling or adhering to walls or other surfaces. Improper installation may cause damage to property.

The AirTouch Secure Range warranty does not cover damage to walls, surfaces, or property resulting from installation, mounting, removal, or use of this product. Installation is undertaken at the user's own risk.

Visit help.airtouch.net.au for a step-by-step installation guide.

- Battery type:
CR123A 3V*
- Standby time:
Up to 5-year battery life
- For indoor use only
- Requires AirTouch 5 or above with AirTouch Home App installed for operation

GETTING STARTED

Set Up with AirTouch 5*

*AirTouch Home must be installed on your AirTouch 5 Console before set up. Installation can be completed from the AirTouch 5 settings menu.

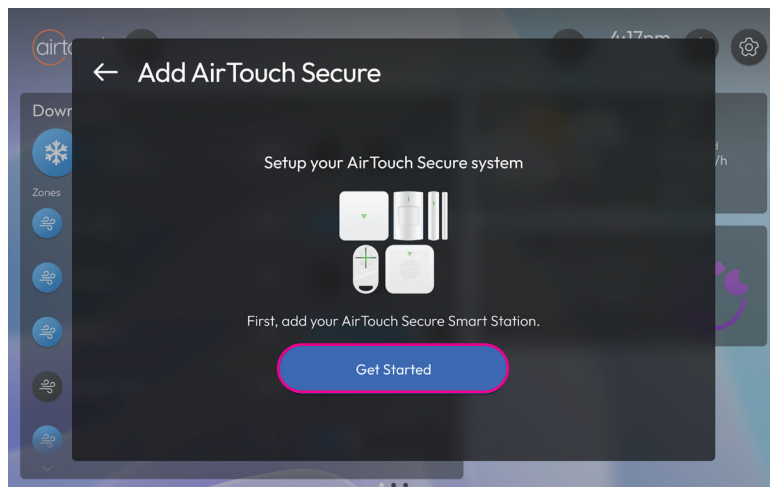

1. Setup device

On the main screen of the AirTouch 5 console, select the '+' icon located in the top right corner, then choose 'Device' from the drop down menu.

2. Select device

After the “Add New Device” page loads select “AirTouch Secure.” Follow the on-screen prompts to complete the installation and connect the device to AirTouch 5.

Set Up with App*

*AirTouch Home must be installed on your AirTouch 5 Console before you can install the AirTouch Home smart device app.

1. Download

Install the AirTouch Home app for both iOS and Android operating systems. Search for the name “AirTouch Home” in the App Store or Google Play, or scan the QR code to download the App.

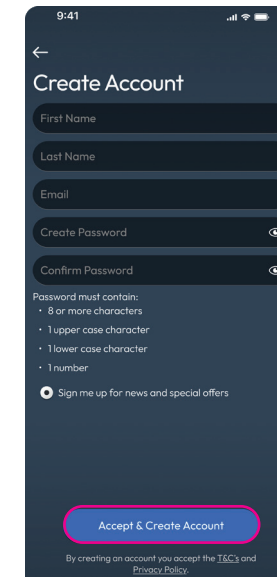

2. Create an Account / Log In

To sign up, open the app, create an account, verify by email, and add your device; to log in, enter your credentials and tap “Login.”

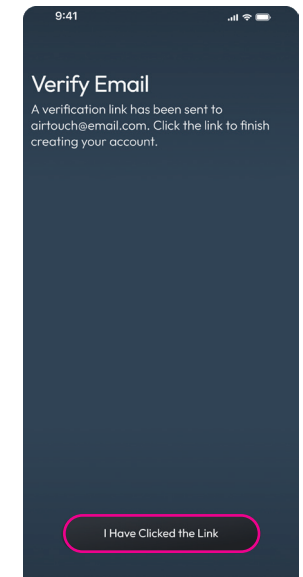

Create an account

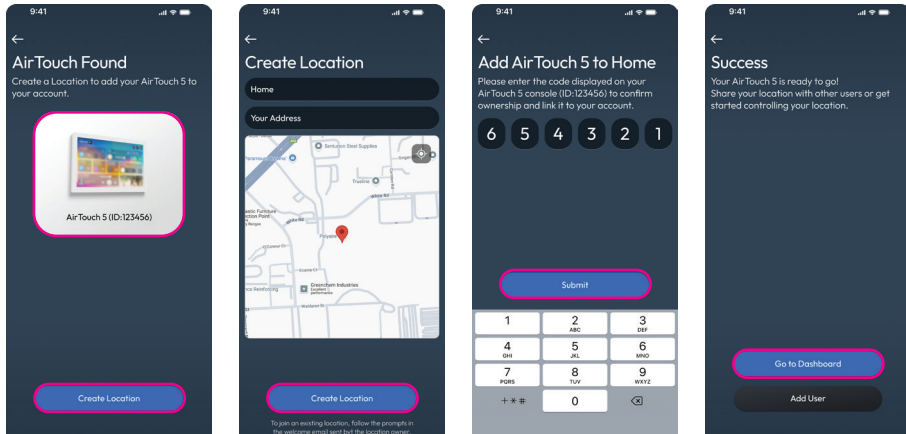

Tap “Create Account”

Fill out the required fields Tap on “Accept & Create Account”

Open the email and click the “Verify Email” link to activate your account.

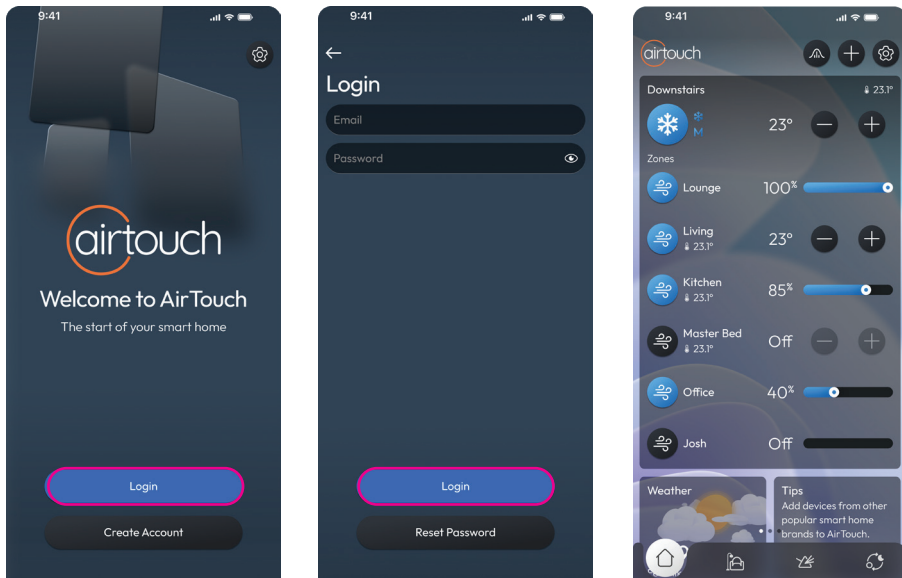

Add your AirTouch device to the account

Create a Location (e.g. your home)

Sync Your AirTouch 5 Devices

You're All Set - tap on "Go to Dashboard"

Log in

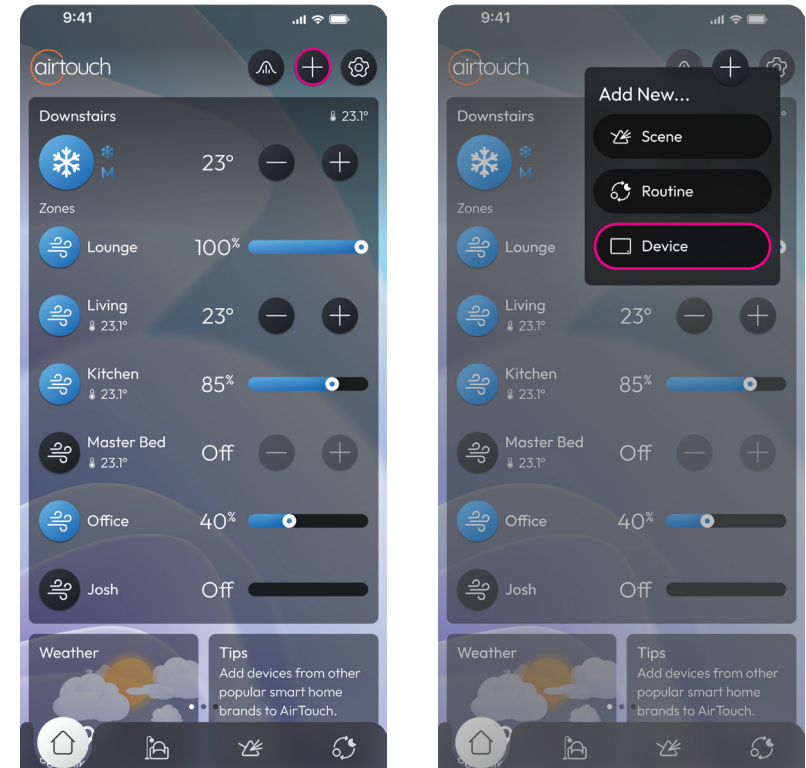

Tap "Login" on the Home Screen

Enter Your Credentials & Tap "Login" You'll be taken to the Dashboard

Dashboard

3. Add device

Login to the AirTouch Home app and select the '+' icon located in the top right corner, then choose 'Device' from the drop down menu.

4. Select device

After the “Add New Device” page loads select “AirTouch Secure.” Follow the on-screen prompts to complete the installation and connect your device to AirTouch Home.

REPLACING THE BATTERY

When to Replace the Battery:

- Sensor stops detecting motion
- LED indicator does not light up
- App shows “low battery” or “sensor offline”

What You'll Need:

- Replacement battery (CR123A 3V)
- Small flathead screwdriver

Step-by-Step Guide:

1. Power Down the System
 - To avoid triggering an alarm, disarm the security system.
2. Remove the Motion Sensor from its Mount
 - Gently slide or unclip the sensor from its wall mount.
3. Open the Battery Compartment
 - Use a flathead screwdriver if needed to release the battery cover.
 - Remove the bottom screw, slide the motion up from backplate, then remove cover screw
4. Remove the Old Battery
 - Remove the depleted battery and dispose of it responsibly.
5. Insert the New Battery
 - Connect the new battery to the terminal, matching the polarity (+/-). Ensure a snug, secure fit inside the battery compartment.
6. Reassemble and Mount the Unit
 - Secure the cover back in place until it clicks or locks.
 - Place the sensor back on its mount.
7. Test Functionality
 - Walk in front of the sensor to check the LED response. Also verify status in the app.

Note

- Always use high-quality lithium batteries for optimal life.
- Do not mix old and new batteries.
- Keep spare batteries on hand for maintenance.

We are constantly adding new Smart Home integrations to AirTouch to enhance the system's capabilities and your home living experience. Visit airtouch.net.au for updates.

WARNING

Do not short-circuit the battery terminals.

Dispose of the old battery properly at a battery recycling station - never throw it in the bin.

WARRANTY

Thank you for purchasing this AirTouch product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is three years from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, AirTouch will provide a free replacement.

- Read all instructions before use. Failure to comply may result in injury or void warranty.
